Lennar Minnesota

"Our first time building a house could not have been smoother...We're very happy with our Lennar home and would recommend building with them to anyone looking to build."

Sabrina E. - Yelp Review 3/15/2016

"Both our Project Manager and Sales Associate at Lennar provided us with an experience that was fun and enjoyable. They did a great job of walking us through the process of buying our first home by consistently letting us know what to expect and how they could meet our needs."

Kirby S. - BBB Review 4/1/2015

"The entire process from start to finish with Lennar, UAMC (mortgage company owned by Lennar), and their affiliates has made this by far the smoothest home build we've done yet. We would have no hesitation recommending Lennar or anyone from their team mentioned above. First rate all the way!"

Kurt N. - Yelp Review 5/20/2016

"Our experience from our first meeting throughout the first year in our home was excellent... We are very pleased with our home and the entire building process."

Kathleen T. - Google Review
